### Dec. 11—Spoon Carving with Chris Pinotti

Carve a decorative spoon out of basswood. There will be several designs to choose from.

Red River Valley Wood Carving club member, Chris Pinotti will be teaching how to carve a decorative spoon out of basswood. The designs include variations of the celtic knot. Chris assures us that although it looks complicated, it can be completed by a beginner. More experienced carvers can add elements for more of a challenge.

This is a project a beginner can do, but some experience with carving is beneficial. You will use a knife, v-tool, and some gouges. There are tools to borrow if you don't have any. Please note on the registration form.

The class is \$35 paid to Red River Valley Woodcarvers a materials fee of \$10 paid to Chris on the day of the class. You must pre-register for the class. You do not need to be a member to take the class.

Our classes are held at the Moorhead American Legion Post 21 at 303 N. 30st St. Class starts at 9:00 am, with a break at 10:30 for the Red River Valley Woodcarvers meeting. After the meeting is lunch. A cheeseburger basket is included in the class fee. You will need to purchase your own beverage. You are welcome to go out for lunch, but no outside food or drink is allowed in the Legion.
